This is the third Office action for application serial number 10/528,206, Loudspeaker Wall Bracket filed March 17, 2005.

***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 9, 10, and 23 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 9, line 1, recites "A wall bracket as claimed in claim 7." Claim 7 has been canceled, therefore, claim 9 dependency is incorrect.

Claim 10 recites the limitation "the loudspeaker" in line 2 of claim 10. There is insufficient antecedent basis for this limitation in the claim.

In claim 23, line 9, "a loudspeaker" should read –the loudspeaker- to reflect antecedent basis at line 1 of this claim.

***Response to Arguments***

Applicant's arguments with respect to claims have been considered but are moot in view of the new ground(s) of rejection.

***Allowable Subject Matter***

Claims 1, 2, 5, 8, 11-19, 21 and 24 allowed.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
